

ARTISTIC RENDERING

**Description**

The labyrinth is a meditative and spiritual walking area that helps people relax, heal and reflect on life. The location of the labyrinth in Lafreniere Park will be in the center of the parterre garden area. This location offers a quiet and meditative space that is perfect for this application. The approximate size of the labyrinth in these renderings is 41' 4", smaller sizes are available. The proposed surface of the labyrinth is concrete pavers. The illustrations show the layout and how the labyrinth will fit in the parterre garden area.
